

Dialogue on Health Disparities: Issues and Challenges in Health Equity in the Latino Community

PRESENTED BY

Aida L. Maisonet Giachello, Ph.D.

Professor
Department of Preventive Medicine
Feinberg School of Medicine,
Northwestern University

Research Professor
Preventive Medicine

Named by Time Magazine as one of 25 Most Influential Hispanics in America and the 2014 recipient of the Health Equity Champion Award by the Centers for Disease Control and Prevention (CDC).

The presentation and discussion will focus on the increased U.S. interest regarding Hispanic/Latino health and social issues; will stress Hispanics/Latinos health disparities and will end by developing an agenda for action to address social and health equity.
