COMMISSIONERS

The Commission on Latino-Americans is comprised of ten commissioners from across the State of Nebraska, one of which serves as the Governor's representative.

Commissioners are selected by the Governor to represent the diversity of the Hispanic/Latino population in Nebraska.

Our vision is to empower the Hispanic/Latino community through a proactive approach to issues that affect their access to education, social, political, and economic opportunities.

Our office is located in the Nebraska State Capitol. This gives us the opportunity to be close to where the laws are being made. We are able to develop relationships with state lawmakers and can easily testify in favor of or in opposition to bills that would directly impact the Hispanic/Latino community.

The Commission joins forces with other organizations to identify, and work to resolve, issues that affect Nebraska's Hispanic/Latino population. We support and promote annual events with many of these organizations to encourage education and inspire Hispanic/Latino youth.
